Lisbon, Portugal

SUMMARY

Aspiring Junior Full-Stack Web Developer with practical experience from the Le Wagon bootcamp, proficient in HTML, CSS, JavaScript, Ruby on Rails, and SQL. Combines strong interpersonal skills gained from tourism and hospitality experience to deliver user-focused digital solutions. Eager to apply technical skills and grow within collaborative development teams.

EDUCATION

- **Full-Stack Web Development Bootcamp**
Le Wagon
07/2025 - 09/2025
- **Tourism and Hospitality Management (Attended)**
Escola Superior de Turismo e Tecnologia do Mar (ESTM)
2022 - 2024
- **Languages and Humanities**
Escola Secundária da Portela
2019 - 2022

PROJECTS

- Pet Vet**
https://www.pet-vet.me/
Built a full-stack app linking pet owners and veterinarians together with two teammates, implementing profile management, appointment scheduling, and prescription features.
- Collaboratively developed a full-stack web application as part of the Le Wagon bootcamp, implementing front-end, back-end, and database functionalities.
 - Received high praise during the project presentation for the quality, functionality, and design of the application.
 - Successfully delivered a complete prototype that simulated real-world user interactions, demonstrating teamwork, problem-solving, and full-stack development skills.
